

Camp NeeKauNis 2005

Let the Spirit in Nature Speak to the Spirit in You

Camp NeeKauNis is a Quaker camp on the shore of Sturgeon Bay (off Georgian Bay), 130 km. north of Toronto, Ontario - a beautiful spot overlooking the water through a forest of tall pines, oaks, maples, and birch trees.

Programmes for people of all ages offer an experience of caring and sharing in the spirit of Quakerism, in worship, play, work, and reflection. Camp can be a joyous and rejuvenating time for an adult, and an experience a child will treasure for life.

There are camps for 10 to 12 year olds (Junior Camp) and 13 and 14 year olds (Intermediate Camp), a teen leadership camp (FYDE), and a work camp for those above 18. There are camps for Families and individuals of all ages (Family and Community Camps), plus a camp for Friends in or approaching their senior years that does not have the busyness that children often bring (C.O.D. Camp).

All our camps benefit when seasoned Friends attend, bringing their spiritual gifts and understanding to share. This is especially needed for our childrens' camps. If you enjoy participating with young Friends, please consider coming to camp to share your time with the future of our Society. Volunteer staff members pay no fees. Contact the director of the camp programme that interests you ASAP. Financial aid is available for those who need it; arrangements are made with the director of the programme you wish to attend.

Camp	Date	Rates	Contact
