Canadian Yearly Meeting National Listeners for Young Friends and Adults

Canadian Yearly Meeting *National Listeners* are available to listen to any Canadian Friend disclose harm done on matters of sexual harassment or abuse, or any other topic a Friend may need to discuss.

If you need a listener, the first step is to approach a trusted Friend within your Monthly Meeting (MM), or to go to your MM Ministry and Counsel. If this path is not comfortable, you may contact a *National Listener*. Listeners seek to be present from a place of spirit-centred openness – to hold the caller and the situation in the Light, and to listen with tenderness. Knowing the healing that comes from simply being heard, we offer you a safe and confidential space in which to speak. One call might be all you need. If not, we have the task of discerning with you what a next step could be: whether a committee of care, of clearness, or of oversight might be appropriate; or how to find other possible resources. The *National Listeners* for adult Friends are:
